TO:

CA-1721, August 28, 1956.

SUBJECT: CODEL-IPU: Proposed Trip of U.S. Congressional Delegation to Inter-Parliamentary Union meeting to be held in Bangkok in November.

BANGKOK, MANILA.

CODEL-IPU. The Department's CA-1721 listed the tentative composition of the group attending the Inter-Parliamentary Union meeting in Bangkok beginning November 13-23. In addition to the Congressional members and four staff members attending, it was reported that "a representative of the Air Force, an Air Force escort officer, two commissioned officers and 12 crew members" would be in the group. The quoted information is incorrect. The list should state that in addition to the Congressional members and four staff members, there will be five Department of Army representatives and escort officers, who will be named at a later date. Please change your records to indicate this correction.

The crew will still probably consist of six officers and twelve airmen.

Mr. William Reed has been elected as Acting Permanent Executive Secretary of the American IPU group.
